Amway Home

Leverages strong AMWAY name for improved awareness!

Home Care History & legacy

What Makes L.O.C. Brand Special?

3 elements go into making L.O.C. an outstanding brand:

- Its history and heritage
- Its manufacturing and research development
- Its environmental responsibility for more than 40 years

Home Care History & legacy

- The very FIRST Amway product, L.O.C.™ Multi-purpose Cleaner, was launched in 1959.
- The product name, L.O.C., stood for “**Liquid Organic Cleaner**” to highlight the product’s biodegradability and environmental friendliness.
- Now, the L.O.C. name has come to mean Loyalty, Opportunity, and Convenience

Improved Formula

BIOQUEST Formula™

The unique BIOQUEST Formula in AMWAY HOME products consists of highly active, bio-based ingredients from natural resources such as coconut, citrus fruits and minerals. All BIOQUEST Formula products deliver powerful cleaning performance and are concentrated, biodegradable and dermatologically-tested.

Improved Formula

BIOQUEST FORMULA™ technology

Powerful cleaning that is high-active, bio-based:

- Coconut
- Citrus fruit
- Minerals

Recognized for safer chemistry

Safer Choice™

At AMWAY™, we have always felt strongly about delivering better and safer products for your home.

The Safer Choice label signifies that the product's formula, as AMWAY has represented it to the U.S. Environmental Protection Agency (EPA), contains ingredients with more positive human health and environmental characteristics than conventional products of the same type.

Note: Not all products have BIOQUEST Formula and Safer Choice marks.

Product Guide

AMWAY HOME™ DISH DROPS™ Concentrated Dishwashing Liquid

KEY PRODUCT MESSAGE

- This powerful, concentrated hand dishwashing liquid delivers high-performance, long-lasting cleaning action that scours away grime with just a few concentrated drops.

PRODUCT OVERVIEW

- Made with mild surfactants to be safe and gentle to the skin with a fragrance that contains natural essential oils.
- This biodegradable formula contains naturally-derived ingredients and is gentle on hands and on the environment.

FEATURES / BENEFITS

FEATURE

BENEFIT

Concentrated detergent

Just a few highly concentrated drops are powerful enough to easily get rid of grease and even dried-on messes, while it's especially kind to your skin.

Safe – contains ingredients derived from nature.

Patented formula that delivers high-performance results with each and every use. Long-lasting sudsing action that leaves dishes sparkling clean.

Committed to Environmental Care: Biodegradable BIOQUEST™ Formula that is dermatologist tested and features triple-patented blend of aloe vera, alphy-hydroxy acid, and natural extracts of shiso plant, an anti-inflammatory botanical.

To help maintain healthy skin as it cleans.

PRODUCT USAGE

- Add one part DISH DROPS Concentrated Dishwashing Liquid to Five parts water in the AMWAY squeeze bottle. Swirl to mix. Wash items and rinse.

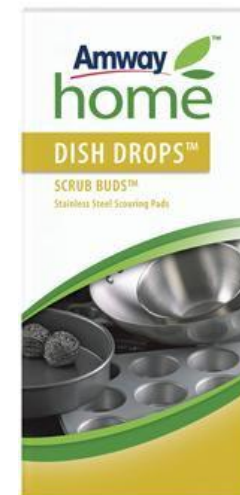

AMWAY HOME DISH DROPS™ Scrub Buds™ Stainless Steel Scouring Pads

KEY PRODUCT MESSAGE

Reusable scouring pads are ideal for scrubbing cookware and on a range of surfaces, from cook tops, non-mirrored pots and pans to grills and crockery. They won't splinter or break apart and are dishwasher safe.

PRODUCT OVERVIEW

- Gentle enough to scrub fruits and vegetables yet is tough enough to clean grills and rotisseries.
- Gentle enough to use on iCook™ Stainless Cookware and other non-coated cookware, yet strong enough to scrub grills and rusty metal, all without harsh scratching.
- This versatile stainless steel scouring pad, easily scrubs away baked-on food and stains.

FEATURES / BENEFITS

FEATURE

BENEFIT

High-quality, rust-resistant stainless steel scrubbing pads	Designed for use on non-mirrored cookware, glassware, stainless flatware, ovens, BBQ grills, tires and tools—even fruits and vegetables. Can be used on iCook™ Stainless Cookware and other non-coated cookware—won't scratch or damage the inside and bottom surfaces.
Made of one continuous stainless steel strand that won't splinter or break apart	Can be used over and over again—more durable than ordinary metal sponges.
Dishwasher-safe	Can also be quickly rinsed to easily prevent the sour, rancid or mildew odors common to steel wool pads.

PRODUCT USAGE

- Use with DISH DROPS™ Liquid Dishwashing Detergent.
- To clean, simply stretch, rinse thoroughly with water and let snap back to working shape

AMWAY HOME™ L.O.C.™ Multi-Purpose Cleaner

KEY PRODUCT MESSAGE

- Our top-selling product for everyday surface cleaning. This powerful and versatile multipurpose cleaner gets every washable surface beautifully clean and streak-free without rinsing.

PRODUCT OVERVIEW

- Our most versatile cleaning product, gentle enough to use as a daily hand cleaner in your kitchen and bathrooms, while powerful enough to tackle most any job around the house.
- Contains no harmful chemicals or abrasives, and leaves surfaces shiny and residue-free.
- Contains naturally-derived ingredients that make it a safe choice throughout the home.

FEATURES / BENEFITS

FEATURE

BENEFIT

Powerful and versatile cleaning. Contains no phosphates, harsh acids / alkalis or chlorine.

No dulling, no rinsing, no streaks even on glass. This multipurpose formula works on most every job from little clean-ups to major messes.

Safe and gentle for everyday use. It has a neutral pH and mild surfactant system that make it safe for use on all washable surfaces.

Never leaves behind any harmful residue.

Uses exclusive, biodegradable, earth friendly BIOQUEST™ Formula technology.

Contains natural, renewable cleaning agents from sources like coconut oil that are kind to the environment and scour away dirt and grime build-up.

PRODUCT USAGE

- **For general cleaning:** Simply pour 30 ml of product into a bucket. Add five liters of warm water. Wash surfaces, then dry as needed. No rinsing required.
- **For spray cleaning:** Add water to the 450 ml line of the AMWAY™ Pistol Grip Sprayer bottle, then add product to the 500 ml line. Spray surfaces and wipe dry.
- **For hand washing:** Use full strength. Wash then rinse well.

AMWAY HOME L.O.C.™ Kitchen Cleaner

KEY PRODUCT MESSAGE

This is a highly concentrated, great performing kitchen cleaner leaves behind a brilliant streak-free shine with no harmful fumes or residue.

PRODUCT OVERVIEW

- Containing naturally-derived ingredients in a powerful, biodegradable formula, this high-performance kitchen cleaner cuts through tough grease and grime on cook tops, appliances and kitchen counter tops.
- It contains naturally sourced active ingredients, making it ideal for use on cook tops and all washable kitchen surfaces.
- It makes quick work of spills and grime, without streaks, harmful fumes or residue. And its highly concentrated formula gives you a lot of cleaning power for your money.

FEATURES / BENEFITS

FEATURE	BENEFIT
Biodegradable BIOQUEST™ Formula technology contains active ingredients derived from natural sources—including coconut/palm kernel oil, Trona and essential oils	Power away grime and dirt without phosphates, harsh acids / alkalis or chlorine Usable on all sealed, washable kitchen surfaces No-rinse formula leaves surfaces hygienically clean, streak-free and non-dulling, without harmful fumes or residue
One bottle of cleaner equals four spray bottles, or 2 liters, of ready-to-use solution.	Ready-to-use product—a great value.
Fresh, clean scent	Deodorizes and refreshes surfaces with a; light citrus fragrance that contains essential oils.

PRODUCT USAGE

- Use AMWAY HOME L.O.C. Kitchen Cleaner Concentrate in the pistol-grip sprayer bottle: Pour water to the 3:1 line of the sprayer bottle. Add product to the 500 ml line. For extra tough jobs, use a 1:1 dilution. Spray and wipe dry

AMWAY HOME L.O.C.™ Glass Cleaner

KEY PRODUCT MESSAGE

- Containing ingredients derived from nature, this glass cleaner effectively and safely cleans virtually all glass surfaces, leaving behind a brilliant shine without unsightly streaks and marks.

PRODUCT OVERVIEW

- Biodegradable, no-rinse formula, featuring BIOQUEST Formula™ technology, cleans and degreases glass and most shiny surfaces, including mirrors, windshields, glass computer screens, plasma TV screens without leaving streaks or harmful residue.

FEATURES / BENEFITS

FEATURE

BENEFIT

Biodegradable, no-rinse formula featuring BIOQUEST Formula technology contains active ingredients derived from natural sources. Contains no phosphates, harsh acids / alkalis or chlorine bleach.

Cleans and degreases, powering away soil, grime, and fingerprints, leaving surfaces sparkling without streaks or harmful residue.

No harmful fumes; refreshing citrus fragrance contains essential oils.

Has a concentrated formula that gives you a significant return on investment.

High value: one bottle equals four spray bottles, or 2 liters of ready-to-use product.

PRODUCT USAGE

- Use Glass Cleaner in the pistol-grip sprayer bottle to clean glass and most shiny surfaces:
 - Add 375 ml of water to the 3:1 line.
 - Add product to the 500 ml line.
 - Spray and wipe dry.

AMWAY HOME™ L.O.C.™ Soft Cleanser

KEY PRODUCT MESSAGE

- High-performance cleanser with a biodegradable formula that includes ingredients sourced from plants and minerals. Just a small amount handles the toughest spots and stubborn stains without scratching or leaving residue.

PRODUCT OVERVIEW

- Just a small amount, and this biodegradable formula that includes natural-based ingredients powers away tough spots and stains on ceramic tile, ceramic cook tops, showers, shower doors, toilets, fixtures, sinks and bathtubs.
- Mild enough to clean even stainless steel without scratching, it also can be used on iCook™ Stainless Cookware. Leaves behind no residues or streaks – just a fresh, citrus scent.

FEATURES / BENEFITS

FEATURE	BENEFIT
This rich and creamy formula is free-rinsing and features BIOQUEST™ technology that includes active ingredients derived from plants and minerals.	Safely cleans most surfaces, including ceramics, porcelain, stainless steel, aluminum, chrome, fiberglass, and glass.
Dermatologist tested, it contains no phosphates, harsh acids or alkalis or chlorine and leaves no harmful residues.	A great choice for you, your family and the environment.

PRODUCT USAGE

- Apply a small amount onto a damp sponge. Scrub surface with the sponge. Rinse or wipe clean with a damp sponge or cloth.
- To prevent scratching of appliance enamel, aluminum, fiberglass or plastic bathtubs and showers - use cleanser sparingly and rub gently with a damp sponge.

AMWAY HOME™ SA8 Premium Concentrated Laundry Powder

KEY PRODUCT MESSAGE

- Amway's top selling laundry care product. A highly concentrated detergent delivers premium laundry performance with exclusive, biodegradable BIOQUEST™ Formula. Naturally based ingredients and effervescing crystals that power away all types of stains and dirt.

PRODUCT OVERVIEW

- Contains naturally derived ingredients to get clothes whiter and brighter without harmful residue.
- Tough on grime but safe for septic system, family and the environment.
- A concentrated product that is high performing, safe for families, septic systems, and the earth.
- Works on all types of fabrics, in all temperatures.

FEATURES / BENEFITS

FEATURE	BENEFIT

- Hold can upright. Spray on stain.
- Launder in usual manner.
- Avoid spraying on washing machines, dryers, and painted surfaces.

AMWAY HOME™ SA8™ Tri-Zyme Stain Pre-Soak and Detergent Booster

KEY PRODUCT MESSAGE

- Effective, powerful and versatile, this product uses naturally based enzymes to tackle deep-seated stains in your laundry. Use it to remove the toughest stains on all heavily soiled, washable fabrics.

PRODUCT OVERVIEW

- SA8 Tri-Zyme Stain Pre-Soak and Detergent Booster is a highly concentrated and versatile pre-soak that really works.
- Uses active enzymes to attack the toughest laundry stains—including food, blood and grass—on virtually any heavily soiled, washable fabric.
- Is highly concentrated and versatile; it can be used as a pre-soak and detergent booster in a wide range of temperatures, delivering great results and high value for your money—all without leaving behind residues that can irritate skin and be harmful to the environment.

FEATURES / BENEFITS

FEATURE

BENEFIT

Uses active enzymes to attack the toughest laundry stains	Effective in removing food, blood, grass laundry stains on virtually any heavily soiled, washable fabric
Natural cleaning system	Attacks all organic, protein and soil based stains.
Dermatologist tested, phosphate-free detergent booster, contains natural cleaning ingredients derived from plants and minerals	Delivers great results without leaving behind residues that can irritate skin and be harmful to the environment
Effective as a detergent booster during wash cycle in all temperatures	Delivering great results and high value for your money

PRODUCT USAGE

As a presoak:

Add 5 ml of SA8 Tri-Zyme Stain Pre-soak and Detergent Booster for every five liters of water in the washer or laundry tub. Soak for at least 30 minutes. Soak overnight for heavy stains. Wash as usual with SA8 Premium Concentrated Laundry Powder Detergent.

As a detergent booster:

Add 15 ml of SA8 Tri-Zyme Stain Pre-soak and Detergent Booster along with your normal amount of SA8 Premium Concentrated Laundry Powder Detergent, at the regular wash cycle. SA8 Tri-Zyme Stain Pre-soak and Detergent Booster may be used with SA8 All Fabric Bleach. Use with chlorine bleach is not recommended; enzyme effectiveness will be lost. Not recommended for use with silk and wool.

AMWAY HOME SA8™ All Fabric Bleach

KEY PRODUCT MESSAGE

- You'll remove stains at all temperatures without the chlorine smell or irritation of conventional bleaches. Use it to get whites whiter or to clean harsh stains on countertops, sinks and in coffeepots or teapots.

PRODUCT OVERVIEW

- SA8 All Fabric Bleach is a powerful, versatile non-chlorine, active oxygen bleach that is ideal for active families.
- An active oxygen bleach with our exclusive Biodegradable BIOQUEST™ Formula, you can safely use it in your washing machine or when washing by hand.
- It eliminates even the toughest stains on virtually all washable fabrics, both colors and whites.
- It brightens and cleans clothes in virtually all temperatures, using biodegradable, dermatologist-tested cleaning ingredients that leave no residues on clothing and that are safe for the environment.

FEATURES / BENEFITS

FEATURE	BENEFIT
Over twice as concentrated as typical competing oxygen bleaches.	Provides a more powerful solution.
Active oxygen bleach with BIOQUEST™ Formula acts as powerful detergent booster,	Eliminates the toughest colorful stains—tea, coffee, wine, fruit juices and more.
Biodegradable, earth and family preferred, it contains no phosphates, dyes, or chlorine.	Safe for septic systems.

PRODUCT USAGE

- **For laundry:** Use as a detergent booster by adding to each load. For best results, use in hot water (60 degrees C or higher). Do not use on wool or silk. Do not use with chlorine bleach.
- **As a presoak on stains:** Add to water as directed. Soak stained item for at least 30 minutes (longer for tough stains). Then wash as normal.
- **For non-laundry stains:** Sprinkle powder onto countertops, tiles and other surfaces. Scrub with damp sponge or cloth. Rinse. For stained coffeepot or teapot, fill the pot with hot or boiling water then add 5 ml of SA8™ All Fabric Bleach. Let stand until clean. Drain. Rinse thoroughly.

SA8™ Concentrated Fabric Softener

KEY PRODUCT MESSAGE

- Specially formulated softener restores the soft, fluffy feel to clothes, towels and bed linens. Biodegradable BIOQUEST™ technology features naturally derived ingredients that also minimize fabric wear and reduce wrinkles and static cling.

PRODUCT OVERVIEW

- Is a versatile value that is effective on both natural and synthetic fibers, it leaves no residues that can irritate skin and can be used in the washer or dryer, on all washable fabrics.
- Safe for families and the environment.
- Available in Alpine Floral fragrance or Garden Blooms fragrance, which complements SA8 Liquid Laundry Detergent.
- Highly concentrated for superior value: only 10 ml needed per 4.5/5 kg of dry wash.

FEATURES / BENEFITS

FEATURE	BENEFIT
Powerful biodegradable BIOQUEST™ formula contains softening agents derived from natural sources	Restores softness in clothes and linen and maintains absorbency in towels
Gently relaxes fibers, reducing creases and fabric wear	Making ironing easier and extending the life of clothing
Contains no phosphates, chlorine, dyes, EDTA, or NTA. Dermatologist and allergist tested	Leaves no residues to irritate skin Safe for families and the environment
Features anti-static ingredients	Reduces static cling

PRODUCT USAGE

- For machine washing:
 - Add 10 ml of SA8 Concentrated Fabric Softener with water to dispenser drawer.
- For hand washing:
 - Add 5 ml of SA8 Concentrated Fabric Softener to 10L of final rinse water.

For dryer:

- Dilute SA8 Concentrated Fabric Softener in the AMWAY pistol grip sprayer with an equal volume of water. Spray six full-trigger squeezes on dry washcloth, then place washcloth in dryer with the rest of the wash. (NOTE: use one washcloth exclusively for this purpose; that washcloth should be washed frequently).
